

Blush Hair Boutique Covid-19 Policy

- We currently have a restricted waiting area available due to limiting the amount of people in the salon at any one time.
- We ask that you wear a mask or visor during your time within the premises in line with Government Guidelines.
- Please attend your appointment alone. Although partners, family, friends or children are permitted to wait in the salon during your appointment we ask that this is limited to eliminate risk.
- Minors are asked to be accompanied by one adult only.
- We are no longer operating by appointment only. Walk-ins are welcome.
- We ask that you continue to wear a face mask to your appointment. If you do not have your own you can purchase one from us for £1.
- We ask that you use the hand sanitiser provided. If you would prefer to use your own hand sanitiser then this is also permitted.
- Members of the team are now able to handle your bags/coats.
- We are now able to offer beverages in cups, but please feel free to bring your own bottled drink/flask and please remove all items with you when you leave.

- Paper Magazines are also unavailable. However new Digital Magazines are provided. Please bring your own reading material if you wish.
- All staff will continue to wear visors or type II masks.
- All procedures have been put in place to maintain social distancing wherever possible, such as limiting the number of appointments at any one time and the closing off of some workstations and washbasins.
- We are allowing additional time between appointments to ensure that all areas of the salon are thoroughly cleaned before your arrival.
- All equipment and tools will continue to be disinfected between each use.
- All towels and gowns will continue to be hot washed after each use.
- We encourage card payments using contactless where possible.

Please remain understanding that we are legally obliged to follow the government guidance and that we are unable to deviate from the policy above. Failure to comply will result in your appointment being cancelled while still being subject to 100% of the appointment cost.
